

Transportation 17 Seater Coach Automatic Transmission 17 Seat Passenger Van

Our Product Introduction

for more products please visit us on vehicle-automobile.com

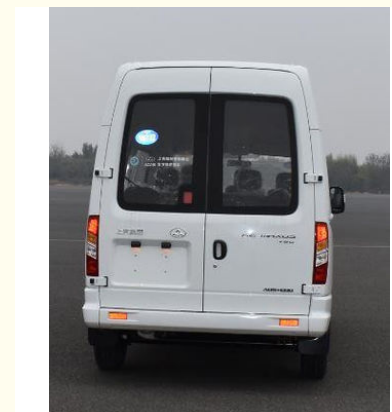

Basic Information

- Place of Origin: China
- Brand Name: Chase
- Model Number: seater highway tourist transportation bus diesel 4x2 automatic/manual transmission
- Minimum Order Quantity: 1 vehicle
- Price: \$30,000-\$40,000Dollar
- Packaging Details: Complete vehicle
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 1000 vehicle

Product Specification

- Air Conditioning: Yes
- Bathroom: Yes
- Capacity: 17 Seater
- Interior: Modern
- Seats: Leather
- Type: Coach Tour Bus
- Highlight: Automatic Transmission 17 Passenger Van , Automatic 17 Seat Passenger Van , Transportation 17 Seater Coach

Product Description

seater highway tourist transportation bus diesel 4×2 automatic/manual transmission

A 17-seat passenger van is a commercial vehicle designed to accommodate up to 17 passengers. This type of van is commonly used for long-distance travel, urban shuttle services, tourism, and group transportation.

A 17-seat passenger van typically features a large body design to provide spacious passenger room and a comfortable riding experience. It often has a multi-row seating layout, including the driver's seat and passenger seats, to accommodate the desired number of passengers. The seats are usually designed with comfort in mind, using comfortable materials and ergonomic design to provide good support and seating comfort.

These vans are commonly equipped with an air conditioning system to ensure passengers enjoy a comfortable indoor temperature in various weather conditions. Additionally, some modern passenger vans may have entertainment systems such as audio systems, video screens, and wireless connectivity to provide additional entertainment and convenience features.

17-seat passenger vans are typically equipped with powerful and fuel-efficient engines to meet the demands of long-distance and multi-passenger transportation. They often have well-designed suspension systems and stability control for smooth driving and a comfortable ride.

Safety features are also incorporated into these vans, including seat belts, airbags, and anti-lock braking systems, to provide passenger and driver safety. Additionally, passenger vans may have emergency exits, fire extinguishers, and emergency alarm systems for emergency situations.

In summary, a 17-seat passenger van is a commercial vehicle designed for multi-passenger transportation, suitable for long-distance travel, group transportation, and tourism purposes. They offer spacious passenger room, comfortable seating, air conditioning systems, and various convenience features, along with powerful engines and safety equipment, providing passengers with a safe, comfortable, and enjoyable riding experience.

Vehicle technical parameters		
1	Car body dimensions (length × width × height) mm:	5910×1998×2345 medium top, 2552 high top (mm)
2	engine manufacturer	Shanghai New Power Automotive Technology Co., Ltd.
	Vehicle manufacturer	SAIC Maxus Automobile Co., Ltd.
3	Wheelbase mm:	3850
4	Vehicle fully loaded total mass kg:	4100
5	Vehicle curb weight kg:	2480
6	suspension system	Front suspension MacPherson independent suspension,
7	Approach / departure angle	Rear suspension leaf spring non-independent suspension
8	Front overhang/rear overhang mm	26/17,26/14(°)
9	Axle load	865/1195(mm)
10	Number of axes	1870/2230
11	Fuel consumption	2
12	Number of spring leaves	8.3
13	Number of tires	-/3
14	Front wheelbase/rear wheelbase	4
15	Steering Type	1734/1728
16	Minimum ground clearance mm:	steering wheel
17	Minimum turning radius m:	22.5
18	Fuel type:	9.45
19	Fuel tank volume (L):	diesel fuel
20	engine model	70
21	Way of working:	SC20M
22	Exhaust volume ml:	L in-line, four-cylinder, supercharged and intercooled, direct injection, high-pressure common rail,
23	Rated power kw(hp)/rpm:	1996
24	Maximum torque Nm/rpm:	102/3350
25	Emission Standards:	302/1500-2500
26	Drive mode	National VI
26	transmission:	Front wheel drive
28	Top speed km/h:	6-speed manual transmission
29	Tire specifications and models	160

30	Braking System	215/75R16C
31	Environmental protection standards	Front disc and rear drum
32	Rated passenger capacity (including driver)	GB17691-2005 (National VI), GB3847-2005
Main vehicle configuration		
33	All-metal load-bearing body, the exterior color of the car is white	
34	ABS8.0+EBD,	
35	manual rear view mirror	
36	black halogen headlights	
37	middle gate	
38	front air conditioner	
39	central locking	
40	cloth seats	
41	The whole car is made of steel wheels, and the full-size steel spare tire	
42	Front electric doors and windows	
43	Driver's seat	
44	2 keys	
45	Original cab heating and cooling system	
46	Same color bumper	
47	Body white	
48	high mounted brake light	
49	Cab multifunctional storage box	
50	Full car seat belt	
51	Adjustable seat back	
52	Rearview mirror	
53	fire extinguisher	
54	Simple backup tool
